

Learn to play Bridge

Lessons start in February
(12 Week Course)

Bridge! The most fascinating card game invented. A game that is stimulating, intriguing, and challenging where you can enjoy meeting new people in a social or competitive setting - your choice. Bridge is a very affordable and portable game to play - it is played throughout New Zealand and the world and these days increasing on-line

So, if you're looking for mental stimulation and social interaction, come along to our lessons – see details below
